None

4. Funding sources (Attach copies of your budget, specific to proposed activities under this permit and include funding sources. See instructions for more information):

Detailed budget information is available upon request from the Monument Permit Coordinators. This research is funded by NWHIMNM-HIMB partnership.

5. Time frame:

Activity start: 1 January 2006

Activity completion: 30 May 2011

Dates actively inside the Monument:

From: 31 July 2008

To: 28 August 2008

Describe any limiting factors in declaring specific dates of the proposed activity at the time of application:

All dates are tentative and dependent upon ship and weather conditions. Ocean conditions strongly influence the dates that vessels can enter Monument waters, as well as when research can be conducted while in the Monument waters. Dates are also dependent on vessel and personnel schedules. Co-trustees will be notified of any changes to the dates currently provided

Personnel schedule in the Monument:

All personnel will remain on the NOAA vessel Hi'ialakai (or on small boats that are transported to the Monument by the main vessel) throughout the cruise duration. No individual will be on land to conduct this research.
